## Mini-Minor Works - Conditions of Quoting

---

- T1. Proposed Contract means the agreement and any other terms and conditions contained in or referred to in this Request for Quote.
- T2. By submitting a response to this procurement process, the quoter acknowledges and agrees that it constitutes an offer by the quoter to the Principal and/ or its authorised representative to provide the Works and/or Goods and/or Services required under, and otherwise to satisfy the requirements of the Scope of Works and/or Specification on the terms and conditions of the Proposed Contract.
- T3. The Weddin Shire Council's Policy for Procurement and Sale of Assets and the Policy for Local Preference applies to this Quote. The NSW Government's Supplier Code of Conduct (NSW Code), the NSW Industrial Relations Guidelines: Building and Construction Procurement (NSW Guidelines) and the NSW Government Procurement Policy Framework apply to this quote. By submitting a Quote, the applicant warrants it is not precluded from entering a contract and accepting the work under the contract (if successful) and agrees that it will be taken to have read and understood, and that it will comply with, the Council's policies.
- T4. These Conditions of Quoting do not form part of any contract awarded as a result of this quote process.
- T5. Refer requests for information concerning this Request for Quotes to the Authorised Person nominated in the General Conditions of Contract - Contract Information.
- T6. The Principal contracts only with recognised, acceptable legal entities and does not contract with firms under any form of external administration. Any quote submitted by an unincorporated business such as a sole trader, trust, partnership or business name must identify the legal entity that proposes to enter the Contract. Quoters must be registered for GST.
- T7. Complete and lodge, by the date, time and method stated in the quote advertisement and/or invitation, the following documents and information:
- Quote Form and Methodology
  - Schedule of Rates
  - Schedule of WHS and Environmental Management Information
- T8. Alternative Quotes will only be considered if submitted in conjunction with a Conforming Quote. An Alternative Quote must be clearly marked "Alternative Quote".
- T9. Quotes must be lodged through Weddin Shire Council, via [mail@weddin.nsw.gov.au](mailto:mail@weddin.nsw.gov.au)
- T10. The Principal may change the RFQ by issuing an Addendum in writing to all quoters. The Addendum becomes part of the RFQ documents. Addenda issued by the Principal are the only recognised explanations of, or amendments to, the RFQ documents.
- T11. Weddin Shire Council policies apply to the evaluation of quotes, including late quotes and negotiations with quoters. In evaluating quotes, the Principal may take into consideration factors including, but not limited to: price; delivery time; quality offered; previous performance; experience; capability; safety performance; environmental performance; conformity; and the assessed value of qualifications and departures.
- T12. Submit additional information requested by the Principal within the time stated in the request.
- T13. The Principal may treat any detail required by the RFQ documents which is omitted, illegible or unintelligible as failing to fulfil the relevant requirements.
- T14. The Principal is not bound to accept the lowest or any quote. Quotes which do not comply with any requirement of the RFQ documents, or which contain conditions or qualifications, may be passed over. The Principal may accept quotes that do not conform strictly with all the requirements of the RFQ documents.
- T15. No quote is accepted unless the Principal gives an acceptance or formal agreement in writing.
- T16. Details of this quote and the outcome of the quote process will be disclosed in accordance with the *Government Information (Public Access) Act 2009* (NSW).
- T17. By submitting a quote, the quoter authorises the Principal to gather, assess and communicate to NSW Government agencies or local government authorities, information about the quoter's financial position and the quoter's performance in respect of any contract awarded as a result of this quote process. Such information may be used in considering whether to offer the quoter future quoting opportunities.

### 4 Evaluation

Council's delegated representatives and consultant will assess the quotes based on the established evaluation criteria. A final evaluation report will be prepared by incorporating any comments. The consultant will then make recommendation to the Council based on the outcome from the evaluation report. Following the approval, Council will enter into a contract with the winning quote in accordance with this RFQ.

#### EVALUATION

##### 4.1 Evaluation Objectives

Council and the consultant will assess quotes to identify the quotation that it considers to be the most advantageous.

##### 4.2 Evaluation Governance

Council delegated representatives and the consultant may seek clarification from, and enter into discussion with, any or all of the applicants in relation to their quotations. It is not permissible for Council delegated representatives or the consultant to negotiate with applicants during the evaluation process.

##### 4.3 Technical worth (Evaluation Criteria)

For each remaining quotation, a quantitative (score: 1 to 10) and qualitative (comment) assessment of the quotation will be undertaken to determine the degree of effectiveness against the following weighted Evaluation Criteria:

NO	Item	Description	Score	Weighting
1	Pricing	Project Cost Note Councils Local Preference Policy (1.24.2) applies to this project. A local preference price will be applied to local suppliers.	1 to 10	30%
2	Work Health & Safety	Addresses all WHS criteria, WHS Management Plan and Safe Work Method Statements.	1 to 10	25%
3	Experience	Demonstrated experience in projects that were of a similar nature, cost and type works that the applicant had previously successfully completed with a good track record (project met on time and within budget; non-conformity status etc). Provides contact details for 2 referees and project description.	1 to 10	25%
4	Methodology & Project Planning	Details of the overarching planning, implementation and completion. Include project milestones.	1 to 10	20%

##### 4.4 Council's Decision

Council delegated representatives and the consultant will not necessarily accept any response. All final decisions in relation to this procurement process will be made by Council having regard to the consultant's recommendations. All applicants will be informed in writing of the outcome of their quote at the conclusion of the procurement process.

Unsuccessful applicants may request in writing a statement of the reasons their quotation was unsuccessful and an opportunity to be debriefed.

## 2. General

- .1 The Weddin Shire Council's Policy for Procurement and Sale of Assets apply to the Contract. The NSW Government's Supplier Code of Conduct (NSW Code), the NSW Industrial Relations Guidelines: Building and Construction Procurement (NSW Guidelines) and the NSW Government Procurement Policy Framework apply to the Contract. By undertaking to perform the works, the Contractor warrants it is not precluded from entering the contract and accepting the work under the Contract and agrees that it will be taken to have read and understood, and that it will comply with the Council's policies, NSW Code and NSW Guidelines.  
The Contractor agrees to support skills development in the construction of the Works.
- .2 The Parties are to do all they reasonably can to co-operate in all matters relating to the Contract.
- .3 Unless otherwise instructed or agreed, the Contractor is to comply, within 3 Business Days, with any instruction given by the Principal.
- .4 The Parties consent for notices and communications to be by electronic communication in accordance with the *Electronic Transactions Act 2000* (NSW).
- .5 The Contractor is to set reasonable standards of conduct and ensure they are met by persons engaged in carrying out the Works. The Principal may instruct the Contractor to remove a person from the Site for failing to meet reasonable standards of conduct.

## Mini-Minor Works - General Conditions of Contract

- .6 The Contractor is responsible for determining the location and type of all existing services and public utilities, both above and below ground. Where an existing service is damaged by the Contractor for any reason whatsoever, the Contractor must bear all costs and any delays for repairing the service (where it is to be continued) or disconnecting it (where it is to be abandoned).
  - .7 The Parties may change the terms and conditions of this Contract by written agreement.
- 3. Site and Access**
- .1 Within 5 Business Days after the date of award of contract, the Principal is to give the Contractor access to sufficient of the Site to allow the Contractor to start work, but is not required to give the Contractor sole or uninterrupted possession of or access to the Site.
  - .2 The Contractor is to start work on the Site as soon as practicable after being given access in accordance with clause 3.1, but not before satisfying all the necessary requirements.
  - .3 The Contractor is to give anyone authorised by the Principal reasonable access to the Site for any purpose.
  - .4 The Contractor is to give notice to the Principal if site and access is to be restricted of Weddin Shire Council employees and visitors in advance notice of 5 business days to allow public notices to be issued.
- 4. Care of People, Property and the Environment**
- .1 From the time access to any part of the Site is given to the Contractor until Completion, the Contractor is responsible for the care of, and is to make good at the Contractor's expense, any loss or damage which occurs to:
    - (a) the Works or the Site;
    - (b) construction plant; or
    - (c) things entrusted to the Contractor by the Principal for the purpose of carrying out the Works.
  - .2 In carrying out the Works, the Contractor is to minimise inconvenience to others.
  - .3 The Contractor is liable for any loss or damage caused by the Contractor whilst making good Defects.
  - .4 The Contractor indemnifies the Principal against any:
    - (a) legal liability for injury or death;
    - (b) breach of intellectual property rights in relation to material provided by or for the Contractor; and
    - (c) loss of, or damage to, property of the Principal or others, or harm to the environment,arising out of the carrying out of the Works.
  - .5 If:
    - (a) action is required to avoid injury, death, harm to the environment or loss of, or damage to, property, and the Contractor does not take the necessary action when the Principal instructs it; or
    - (b) urgent action is required,then the Principal may take the action without relieving the Contractor of its obligations or liabilities and the cost of the action is payable by the Contractor to the Principal.
- 5. Work Health & Safety Management**
- .1 The Contractor is responsible for the work under the Contract at all times until Completion and is engaged as principal contractor for the work, in accordance with clause 293 of the *WHS Regulation 2017* (NSW), and authorised to exercise such control of the workplace as is necessary to discharge the duties of principal contractor under that *Regulation*.
  - .2 No later than 5 Business Days before starting work on the Site, the Contractor is to submit a Work Health and Safety (WHS) Management Plan for the Works that complies with the current NSW Government *Work Health and Safety management guidelines (for Construction Procurement) 6<sup>th</sup> Edition*.
  - .3 The WHS Management Plan is to address all the relevant issues in the Contract

## Mini-Minor Works - General Conditions of Contract

Schedule – WHS Management Plan and Safe Work Method Statements, together with any other risks and hazards, and is to be implemented on the Site.

- .4 Work is not to start without a complying WHS Management Plan.
- .5 All safety incidents, including near misses, and all visits by SafeWork NSW are to be reported immediately to the Authorised Person.
- .6 If instructed by the Authorised Person, investigate and submit a written report as soon as practicable after an incident occurs.

### 6. Long Service Levy

- .1 If the Contract Price is \$250,000 (incl. GST) or more (unless all the work under the Contract is routine maintenance, repairs or demolition) then before starting work, the Contractor must pay to the Building and Construction Industry Long Service Corporation or the Corporation's agent the amount of the long service levy payable under the *Building and Construction Industry Long Service Payments Act 1986*. Documentary evidence of payment of the levy must be provided to the Principal before starting work.

### 7. Environmental Management

- .1 No later than 3 Business Days before starting work on the Site, the Contractor is to submit an Environmental Management Plan for the Works that complies with the NSW Government *Environmental management guidelines 4<sup>th</sup> Edition*.
- .2 The Environmental Management Plan is to address all the relevant issues in the Contract Schedule – Environmental Management Plan, together with any other risks and hazards, and is to be implemented on the Site.
- .3 Work is not to start until a complying Environmental Management Plan has been submitted.
- .4 Submit a progress report and a summary report before Completion in accordance with tables 1 to 5 of the NSW EPA 'Construction and demolition waste' toolkit as referenced in the Contract Schedule - Environmental Management Plan.
- .5 All environmental incidents, including near misses, and visits by environmental regulators, are to be reported immediately to the Authorised Person.

### 8. Insurance

- .1 Before starting work in connection with the Contract, the Contractor is to hold or take out an insurance policy covering workers compensation and ensure every subcontractor holds equivalent insurance, where applicable. If the Contractor is a sole trader or classified as an 'exempt employer' and therefore cannot obtain workers compensation insurance, then the person(s) carrying out the work must have personal accident insurance.
- .2 If the Contract Information states that the Contractor is to arrange public liability insurance and insurance of the Works then, before starting work on the Site, the Contractor is to hold or take out policies of insurance covering the Contractor, Principal and subcontractors as insured entities for:
  - (a) public liability for an amount not less than \$10,000,000 for any single occurrence; and
  - (b) loss of, or damage to, the Works, any temporary works and all materials, equipment, plant and other things that are brought onto the Site by or on behalf of the Contractor or are entrusted to the Contractor by the Principal. The amount insured for any single occurrence is to be not less than the Contract Price at the date of award of Contract by the Principal.
- .3 The policies required under clause 8.2 are to:
  - (a) include cross liability and waiver of subrogation clauses under which the insurer, in respect of liability, agrees that the term 'insured' applies to each of the entities covered as if a separate insurance policy had been issued to each of them, and agrees to waive all rights of subrogation or action against any of the entities covered; and
  - (b) be with insurers and in terms approved by the Principal.
- .4 If the Contract Information states that the Principal has arranged, or is to arrange, insurance of the Works and public liability, then a policy of insurance for the Works and public liability covering the Contractor, Principal and subcontractors will come into effect

# Mini-Minor Works - General Conditions of Contract

on award of contract. The Principal is to pay the insurance premium.

- .5 For any insurance the Contractor is required to arrange under the Contract, the Contractor is to pay all premiums, maintain the policies until Completion of the Works, and provide evidence of currency of the policies to the Principal before starting the relevant work.
- .6 The Contractor is responsible for making and managing any insurance claims and meeting the cost of all excesses and any deductibles, even if the Principal arranged the insurance.
- .7 The Contractor is to provide a summary of insurances in a table the same as below:

Insurance Company	Type of cover	Amount of coverage	Policy Number	Expiry Date

## 9. Materials and Work

- .1 The Contractor is to supply materials which are new (unless otherwise specified), free from Defects and fit for the purposes required by the Contract.
- .2 The Contractor is to use standards of workmanship and work methods which conform with the Contract, relevant Australian Standards, codes of practice and the lawful requirements of any authority.
- .3 The Contractor is responsible for any design required to complete the Works.
- .4 The Contractor is to make good any Defect when it becomes apparent.
- .5 The Principal may, in its absolute discretion, propose to accept the Works with any specified Defect not made good, on specified terms. If the Contractor does not accept the Principal's terms within 5 Business Days, the Contractor is to make good the Defect.

## 10. Variations

- .1 The Contractor is not to change the Works without an instruction or written acceptance from the Principal.
- .2 The Contractor may request a Variation where a site condition that could not reasonably have been expected or an unexpected change in statutory requirements requires a change to the Works.
- .3 The Contractor is to take all reasonable steps to carry out Variations concurrently with other work.
- .4 The Contractor is to submit a proposal for a Variation within 5 Business Days after receiving a request from the Principal to do so. The Contractor's proposal is to include a margin of up to 15% on net direct costs to cover supervision, overheads, disruption, profit and attendance and any associated costs that may result if additional time is required to complete the Variation.
- .5 Within 10 Business Days after receiving the Contractor's proposal for a Variation, the Principal is to notify the Contractor in writing whether or not the proposal is accepted.
- .6 If the Principal does not accept the proposal, the Principal will assess the price based on reasonable direct costs plus 15% and that will be the price payable to the Contractor for the Variation.

## 11. Time for Completion

- .1 The time for Completion is as stated in the Contract Information.
- .2 The Contractor is to notify the Principal if it expects to be delayed in reaching Completion.
- .3 The Contractor may seek an extension of time if it will be delayed in reaching Completion. The Principal may extend the time for Completion for any reason.
- .4 The Contractor has no entitlement to costs for any delay or disruption, other than the margin included in any agreed or assessed Variation.

## 12. Post Completion Period

- .1 At any time during the Post Completion Period stated in the Contract Information, the Principal may direct the Contractor to make good a Defect within a specified time and at a time convenient to the Principal.
- .2 If the Contractor does not make good the Defect within the time specified, then the

### 13. Payment

- Principal may have the Defect made good by others and all associated costs are payable by the Contractor to the Principal.
- .1 The Contractor may submit payment claims for completed work monthly on and from the first business day of each calendar month and for amounts calculated as follows:
    - (a) for work for which the Principal accepted rates, an amount calculated by applying the rates to the quantities of work carried out;
    - (b) for work for which the Principal accepted a lump sum, an instalment of that lump sum which reflects the value of the work carried out; and
    - (c) for any other entitlements claimed for which the Principal has agreed or assessed an amount in writing, or for which an amount has been finally determined by an expert under Clause 14 *Disputes*, the proportion of the amount which reflects the value of the entitlement,at the date of the payment claim, less amounts previously paid, amounts payable by the Contractor to the Principal, and any amounts the Principal is entitled to deduct.
  - .2 Payment Claims are to be submitted to the Authorised Person at the address shown in Contract Information item 1.
  - .3 Quantities of work set out in any Schedule of Rates are estimates only. The Contractor is responsible for providing evidence of the quantities actually carried out.
  - .4 With each payment claim, the Contractor is to give to the Principal:
    - (a) the conformance records and other information required under the Contract; and
    - (b) a completed and true Supporting Statement and a completed and true Subcontractor's Statement in the form of the attached Contract Schedule, executed on the date of the payment claim.
  - .5 Within 10 Business Days after receipt of the Contractor's payment claim, the Principal is to provide to the Contractor a payment schedule identifying the payment claim to which it relates and stating the payment, if any, that the Principal will be making. If the payment is to be less than the amount claimed by the Contractor, the payment schedule is to indicate why it is less.
  - .6 Payment by the Principal is to be made within 15 Business Days after the date the Contractor's payment claim was served. The Principal will issue a tax invoice to the Contractor in the form of a Recipient Created Tax Invoice (RCTI) with the payment.
  - .7 With reference to the relevant legislation identified in the Subcontractor's Statement, the Principal may reduce the progress payment due to the Contractor to account for its increased liability if a completed Subcontractor Statement is not provided.
  - .8 Unless otherwise stated, all payments are to be made by electronic funds transfer to a bank, building society or credit union account nominated by the Contractor. To avoid delay, the Contractor is to provide details of its nominated account within 10 Business Days after the Date of Contract. The Principal requires a minimum of 5 Business Days written notice of any changes to the nominated account to avoid payments being made into a previously nominated account.
  - .9 Payment is not evidence of the value of work, or that the work is satisfactory, or an admission of liability, but is payment on account only.
  - .10 If the Contract Information states that an amount is to be retained for the duration of a Post Completion Period, then this amount is to be deducted from payments due at Completion and held by the Principal until the expiration of the Post Completion Period.
  - .11 Within 30 Business Days after Completion (where there is no Post Completion Period), or at the end of any Post Completion Period, the Principal is to issue a final payment summary accounting for the amount due less any amounts payable by the Contractor to the Principal and, where there is a Post Completion Period, the release of the retention amount.
  - .12 If a final payment is due to the Contractor, the Contractor must submit a payment claim complying with clauses 13.1 and 13.4 for the amount stated in the final payment summary and, if requested by the Principal, a valid tax invoice for that amount.
  - .13 If no payment claim is served within 20 Business Days after the date of issue of the final

## Mini-Minor Works - General Conditions of Contract

payment summary, the Principal is to pay the Contractor the amount due in accordance with the final payment schedule, subject to clause 13.7.

### 14. Disputes

1. If a Party is dissatisfied with an act or omission of the other Party in connection with the Contract then, within 20 Business Days after the act or omission, the dissatisfied Party is to notify the other Party in writing of a dispute. The notification is to include the legal and factual basis of the dispute.
2. The Parties are to confer to try to resolve the dispute. If the dispute is not resolved within 20 Business Days then the Parties are to attempt to agree upon an independent expert to resolve the dispute and the terms for the expert's engagement. If the Parties cannot agree on an expert within a further 15 Business Days then either may request the Chief Executive Officer, Australian Disputes Centre (<https://www.disputescentre.com.au/>) to nominate an expert.
3. The Parties are to share equally the expert's fees and out-of-pocket expenses, including any security required for the expert's fees. Each party is to otherwise bear its own costs and share equally any other costs of the process.
4. Within 15 Business Days after the appointment of the expert, the notifying Party is to make its submission on the dispute to the expert.
5. Within 15 Business Days after receiving a copy of that submission, the other Party is to make its submission in response, if any.
6. The expert may request further information from either Party. The Party must respond within 15 Business Days after receiving the request.
7. The Parties are to treat each determination of the expert as final and binding and give effect to it.

### 15. Suspension

1. The Principal may instruct the Contractor to suspend carrying out all or part of the Works and the conditions on which work is to recommence.

### 16. Termination by the Principal

1. Without prejudice to any other rights which the Principal has, if the Contractor commits a substantial breach of the Contract, including:
  - (a) failing to carry out an instruction of the Principal within the time specified;
  - (b) not progressing the Works at a reasonable rate;
  - (c) failing to effect or maintain any insurance required by the Contract;or if a receiver, manager or receiver and manager is appointed or the Contractor commits an act of insolvency, the Principal may, in writing, specify the breach and ask the Contractor to give reasons why the Principal should not take further action.
2. If the Contractor either fails to give a written response within 5 Business Days after receiving the Principal's notice, or fails to give reasons satisfactory to the Principal, then:
  - (a) the Principal may immediately terminate the Contract by notice in writing to the Contractor, in which case the respective rights and liabilities of the Parties shall be the same as they would be at common law if the Contractor had wrongfully repudiated the Contract; or
  - (b) the Principal may immediately take over the incomplete Works by notice in writing, suspend payments due or which would become due under Clause 13, and have others complete the Works.

The Principal is to calculate the difference between the costs of having the Works completed by others and the amount of suspended payments held. If the calculation shows a shortfall to the Principal, the Contractor is to pay the amount of the shortfall to the Principal within 10 Business Days of a written demand for payment. If the calculation shows an excess to the Principal, the Principal is to pay the amount of the excess to the Contractor.

---

### **17. Termination for the Principal's Convenience**

1. The Principal may terminate the Contract for its convenience and without giving reasons by giving written notice to the Contractor, with effect from the date stated in the notice. The Contractor is to leave the Site by the date stated and comply with any other instructions in the notice.
2. If the Contract is terminated for the Principal's convenience, then, as full compensation for termination under this clause, the Contractor's total entitlement in respect of the Contract is the sum of the following and the Contractor has no claim for damages or other entitlement whether under the Contract or otherwise:
  - (a) the value of all work carried out up to the date stated in the notice; plus
  - (b) subject to at least 25% of the value of Work being completed, 2% of the difference between the Contract Price and the total of all amounts paid and payable to the Contractor under clause 17.2(a).

## MMW - Contract Schedule

### WHS Management Plan and Safe Work Method Statements

---

A WHS Management Plan (WHSMP) sets out the arrangements to manage work health and safety on a construction project. In accordance with General Conditions of Contract Clause 5 *Work Health and Safety Management*, the Contractor is to document and implement a WHSMP that addresses all health and safety hazards and manages the risks associated with carrying out the Works.

#### The Contractor's WHS Management Plan must:

- be signed and dated by a senior manager under the Contractor's letterhead authorising the Plan for use;
- identify the Contract, work activities, work sites and person who prepared the Plan;
- be implemented, maintained and kept up to date during the work on the Site

#### and must include:

- Statement of responsibilities** – names, positions and contact details of people who will be responsible for WHS management on the Site, including the work activities and a description of those responsibilities;
- Risk management** – identification of the hazards associated with each work activity and assessment of the associated risks, with documented actions proposed to eliminate or minimise the risks and methods for managing and monitoring these risk controls (include any WHS risks identified by the Principal);
- WHS training and communication**– arrangements for WHS training, including industry and site induction training and toolbox meetings as well as the consultation, cooperation and coordination of activities;
- Incident and emergency management** – arrangements for managing accidents, incidents and near misses, with the name(s) of responsible persons and their contact details, including after-hours contact(s);
- Site Safety Rules** – a copy of the rules must be displayed on the Site, covering as a minimum:
  - industry/site induction, toolbox meetings and other safety training;
  - safety helmets, safety footwear and safety vests
  - personal protective equipment, injury management and first aid arrangements;
  - site access, vehicle movements and security;
  - accident/incident and emergency procedures;
  - protection of all workers and the public;
  - working at heights and in deep excavations;
  - electrical work and equipment, including leads, power tools and overhead wiring;
  - locating and preventing unplanned contact with underground, hidden and overhead services;
  - demolition, excavation, mobile plant, formwork and other temporary structural frames;
  - recording, handling, storage and disposal of hazardous materials and dangerous goods; and
  - safe working, including SWMS, fire prevention, alcohol and drug prohibition and general housekeeping/ access to suitable amenities;
- Safe Work Method Statements** for high-risk construction work, which must:
  - be on the letterhead of the organisation carrying out the work, showing the name and registered office address of the organisation; and
  - be signed and dated as authorised for use by a senior manager of the organisation, and describe:
    - the address where the high-risk construction work will be carried out;
    - the high-risk construction work activities to be undertaken;
    - potential health and safety hazards and risks associated with the high-risk construction work;
    - risk management controls that will be in place to eliminate the risk or, if not reasonably practicable to eliminate the risk, minimise the hazards and significant risks;
    - all work health and safety instructions to be given to persons involved with the work;
    - names and qualifications of those who will supervise the work and inspect and approve for use work areas, work methods, protective measures, plant and equipment (including power tools);
    - what training is required, and will be or has been given to each of the people involved in the work;
    - names of all those involved in the work, and those who will be or have been trained in the work activities described in the SWMS, and the names and qualifications of those responsible for training them;
    - plant and equipment that will most likely be used on the work site (e.g. ladders, scaffolds, grinders, electrical leads, welding machines, fire extinguishers and the like);
    - any SafeWork NSW permits required to complete the work;
    - inspection and maintenance checks that will be or have been carried out prior to use of the plant and equipment listed; and

## MMW Contract Schedule – Supporting Statement and Subcontractor’s Statement

---

Refer to clause 13.4 of the Mini Minor Works General Conditions of Contract.

The Contractor is required to complete these two statements and submit both statements with each payment claim. Do not alter the forms.

Relevant legislation includes Workers Compensation Act 1987 (NSW), s175B; Payroll Tax Act 2007 (NSW), Schedule 2 Part 5; Industrial Relations Act 1996 (NSW), s127 and Building and Construction Industry Security of Payment Act 1999 (NSW), ss13(7) and 13(9).

### **Supporting Statement**

The Contractor is the “head contractor” in terms of the Building and Construction Industry Security of Payment Act 1999 (NSW) and makes relevant statements below accordingly. The Contractor, as the “head contractor”, carries out the construction work for the Principal under the Contract.

The Supporting Statement must be signed by the Contractor, a director of the Contractor or a person authorised by the Contractor.

### **Subcontractor’s Statement**

The Contractor is a “subcontractor” in terms of the Workers Compensation Act 1987 (NSW), Payroll Tax Act 2007 (NSW) and Industrial Relations Act 1996 (NSW) and makes relevant statements below accordingly. The Contractor as the “subcontractor” carries out the construction work for the Principal under the Contract. The Principal is called the “principal contractor” in these Acts.

For clarity the Subcontractor’s Statement refers to the ‘Contractor’ and ‘Principal’ under the Contract rather than the “subcontractor” and “principal contractor” under the above Acts.

The Subcontractor’s Statement must be signed by the Contractor (or by a person who is authorised, or held out as being authorised, by the Contractor to sign the statement).

Information, including Notes, Statement Retention and Offences under various Acts, is included in the notes at the end of the Subcontractor’s Statement.

**Construction Contracts**

Pursuant to section 13(7) of the *Building and Construction Industry Security of Payment Act 1999 (NSW)* (the Act) a supporting statement must accompany any payment claim served on a principal to a construction contract by a head contractor.

This form should be used by a head contractor who has a construction contract that is not an owner occupier construction contract. If the contract is an owner occupier construction contract the ‘Supporting Statement – Owner Occupier Construction Contracts’ form should be used instead.

For the purposes of this statement, the terms “principal”, “head contractor”, “subcontractor”, “construction contract” and “owner occupier construction contract” have the meanings given in section 4 of the Act.

Head contractor (business name of head contractor):			
<input type="checkbox"/> 1. has entered into a contract with:(business name of subcontractor)

**Declaration for Supporting Statement**

I, (full name) .....

being the head contractor, a director of the head contractor or a person authorised by the head contractor on whose behalf this declaration is made, hereby declare that to the best of my knowledge and belief all subcontractors, if any, have been paid all amounts that have become due and payable in relation to the construction work that is the subject of this payment claim.

These subcontractors and the amounts paid to them are identified in Schedule 1 on page 3 of this Supporting Statement.

**It is an offence under section 13(7) of the Act for a head contractor to serve a payment claim on the principal, if it is not accompanied by a supporting statement that indicates that it relates to that payment claim. The maximum penalty is \$110,000 for corporations, and \$22,000 for an individual.**

**It is also an offence under the Act for a head contractor to serve a payment claim accompanied by a supporting statement knowing that the statement is false or misleading in a material particular in the particular circumstances. The maximum penalty is \$110,000 for corporations, and \$22,000 or 3 months imprisonment (or both) for individuals.**

(d) Where the Contractor is required to be registered as an employer under the *Payroll Tax Act 2007*, the Contractor has paid all payroll tax due in respect of employees who performed work under the Contract, as required at the date of this statement. (Note 9)

(e) Where the Contractor is also a principal contractor to subcontracts in connection with the work, the Contractor has in its capacity of principal contractor been given a written Subcontractor’s Statement by its subcontractor(s) in connection with that work for the period stated above. (Note 10)

(f) Signature ..... Full name .....

## MMW Contract Schedule – Supporting Statement and Subcontractor’s Statement

### Notes to the Subcontractor’s Statement

These notes have been prepared using the terms in the referenced acts. Where this Statement is being completed for the purposes of this Contract, (unless the context otherwise requires) ‘subcontractor’ means the ‘Contractor’ and ‘principal contractor’ means the ‘Principal’.

1. This form is prepared for the purpose of section 175B of the *Workers Compensation Act 1987*, Schedule 2 Part 5 of the *Payroll Tax Act 2007*, section 127 of the *Industrial Relations Act 1996* and sections 13(7) and 13(9) of the *Building and Construction Industry Security of Payment Act 1999*. If this form is completed in accordance with these provisions, a principal contractor is relieved of liability for workers compensation premiums, payroll tax and remuneration payable by the subcontractor.

A principal contractor can be generally defined to include any person who has entered into a contract for the carrying out of work by another person (or other legal entity called *the subcontractor*) and where employees of the subcontractor are engaged in carrying out the work which is in connection with the principal contractor’s business.

2. For the purpose of this Subcontractor’s Statement, a principal contractor is a person (or other legal entity), who has entered into a contract with another person (or other legal entity) referred to as the subcontractor, and employees/workers of that subcontractor will perform the work under contract. The work must be connected to the business undertaking of the principal contractor.

3. Provide the unique contract number, title, or other information that identifies the Contract.

4. In order to meet the requirements of s127 of the *Industrial Relations Act 1996*, a statement in relation to remuneration must state the period to which the statement relates. For sequential Statements ensure that the dates provide continuous coverage.

Section 127(6) of the *Industrial Relations Act 1996* defines remuneration ‘as remuneration or other amounts payable to relevant employees by legislation, or under an industrial instrument, in connection with work done by the employees.’

Section 127(11) of the *Industrial Relations Act 1996* states ‘to avoid doubt, this section extends to a principal contractor who is the owner or occupier of a building for the carrying out of work in connection with the building so long as the building is owned or occupied by the principal contractor in connection with a business undertaking of the principal contractor.’

5. Provide the date of the most recent payment claim.

6. For Workers Compensation purposes an exempt employer is an employer who pays less than \$7500 annually, who does not employ an apprentice or trainee and is not a member of a group.

7. In completing the Subcontractor’s Statement, a subcontractor declares that workers compensation insurance premiums payable up to and including the date(s) on the Statement have been paid, and all premiums owing during the term of the contract will be paid.

8. In completing the Subcontractor’s Statement, a subcontractor declares that all remuneration payable to relevant employees for work under the contract has been paid.

9. In completing the Subcontractor’s Statement, a subcontractor declares that all payroll tax payable relating to the work undertaken has been paid.

10. It is important to note that a business could be both a subcontractor and a principal contractor, if a business ‘in turn’ engages subcontractors to carry out the work. If your business engages a subcontractor, you are to also obtain Subcontractor’s Statements from your subcontractors.

The principal contractor receiving a Subcontractor’s Statement must keep a copy of the Statement for the periods stated in the respective legislation. This is currently up to seven years.

In terms of s127(8) of the *Industrial Relations Act 1996*, a person who gives the principal contractor a written statement knowing it to be false is guilty of an offence if:

- (a) the person is the subcontractor;
- (b) the person is authorised by the subcontractor to give the statement on behalf of the subcontractor; or
- (c) the person holds out or represents that the person is authorised by the subcontractor to give the statement on behalf of the subcontractor.

In terms of s175B of the *Workers Compensation Act 1987* and clause 18 of Schedule 2 of the *Payroll Tax Act 2007* a person who gives the principal contractor a written statement knowing it to be false is guilty of an offence.
