COMMUNITY SATISFACTION SURVEY

Council has engaged the services of Woolcott Research and Engagement to undertake a community satisfaction survey. Woolcott Research and Engagement will be calling phone numbers within our local government area to ask a number of questions on Council's services as well as thoughts of what are your priorities locally and regionally. The phone calls will be randomly selected and we thank all participants for their time in helping us to benchmark and continue to improve our services.

Community members are also invited to fill out the survey online which will close on 20 August 2023. The online survey will take about ten minutes to fill out:
